

GUNNISON VALLEY HEALTH LOW-COST **BLOOD TESTING**

2024 **CRESTED BUTTE** blood testing

Queen of All Saints Parish Hall | **June 12, 13, 14** | 6:30 am to 9:30 am

2024 **GUNNISON** blood testing

Fred Field Center | **June 18, 19, 20** | 6:30 am to 9:30 am

HEALTH SCREEN PANEL

\$60

- Lipid panel: Cholesterol, HDL, directly measured LDL and triglycerides
- Thyroid: TSH
- Glucose: Blood sugar level
- Iron panel: Iron, iron binding capacity and ferritin
- Liver: Albumin, AST, ALT and total bilirubin
- Kidney: Sodium, potassium, chloride and eGFR
- Muscle and bone: ALT, calcium and phosphate
- Uric acid

ADVANCED LIPID & HEART HEALTH

\$74

- Insulin: Resistance score
- Lipoprotein particle number (LDL-P)
- Particle concentration and size (total HDL-P, small LDL-P, LDL size)
- Standard lipid panel: Total cholesterol, calculated LDL cholesterol, HDL cholesterol and triglycerides

ARTHRITIS PANEL

\$83

- Antinuclear antibody (ANA) with reflex
- C-reactive protein (CRP)
- Cyclic citrullinated peptide antibody (CCP)
- Rheumatoid antibody (RA)
- Uric acid

BLOOD TYPING

\$30

CRP (C-REACTIVE PROTEIN)

\$33

- Tests for inflammation

COMPLETE BLOOD COUNT (CBC)

\$30

- White blood cell count and white blood cell differential: Immunity, lymphoma, leukemia and allergies
- Red blood count, hemoglobin and hematocrit: Anemia and polycythemia
- Platelet count: Clotting factor

GLUTEN SENSITIVITY

\$43

HEMOGLOBIN A1C

\$39

- Diabetes screening - Average blood glucose levels over the past two to three months

HS-CRP (HIGH SENSITIVITY C-REACTIVE PROTEIN)

\$37

- A high-sensitivity C-reactive protein (hs-CRP) test is more sensitive than a standard C-reactive protein test. That means the high-sensitivity test can find smaller increases in C-reactive protein than a standard test can.

PRE-MENOPAUSAL HORMONE PANEL

\$123

- Total estrogens
- Progesterone
- FSH (follicle stimulating hormone)
- LH (luteinizing hormone)
- Testosterone

POST-MENOPAUSAL HORMONE PANEL

\$94

- Total Estrogens
- Progesterone
- Testosterone

GUNNISON VALLEY HEALTH LOW-COST **BLOOD TESTING**

2024 **CRESTED BUTTE** blood testing

Queen of All Saints Parish Hall | **June 12, 13, 14** | 6:30 am to 9:30 am

2024 **GUNNISON** blood testing

Fred Field Center | **June 18, 19, 20** | 6:30 am to 9:30 am

PROSTATE SPECIFIC ANTIGEN (PSA)

\$39

- Screening for prostate health in men

T3 (FREE)

\$33

- T3 tests are often useful to diagnosis hyperthyroidism or to determine the severity of the hyperthyroidism.

T4 (FREE)

\$22

- T4 is the main form of thyroid hormone circulating in the blood.

TESTOSTERONE (FEMALE)

\$47

- Screen to determine the level of testosterone in your body

TESTOSTERONE (MALE)

\$47

- Screen to determine the level of testosterone in your body

VITAMIN B-12/FOLATE

\$50

- Screens for energy and nutrient deficiencies

VITAMIN D

\$50

- Screen to determine the level of Vitamin D in your body
