

CHAMPIONS FOR HEALTHCARE

THE GREATEST BENEFIT IS KNOWING YOU WILL MAKE A DIFFERENCE TO THE LIVES OF YOUR FRIENDS, FAMILY AND LOVED ONES IN THE GUNNISON VALLEY. WE CAN ONLY CONTINUE TO REDEFINE RURAL HEALTH WITH YOUR SUPPORT.

At Gunnison Valley Health, our caregivers are driven by our mission: To effectively organize and provide quality healthcare services that improve the health of our community.

You can be a part of this too.

Champion for Healthcare members are visionaries who support our community's good health by helping fund the programs and departments of Gunnison Valley Health, a not-for-profit rural hospital. Your generosity is instrumental in supporting new technologies and services to advance local healthcare in our community.

CHAMPIONS FOR HEALTHCARE

The **Champions for Healthcare Program** is a partnership of passionate donors committed to quality healthcare programs and services in our community.

The group is comprised of friends and supporters who set exemplary standards of giving and contribute \$500 or more annually to the Gunnison Valley healthcare system.

Members receive special recognition and exclusive event invitations—but more important, they enjoy knowing their gifts help Gunnison Valley Health maintain and improve the level of excellence and innovation that has existed since 1938.

Participation in the Champions for Healthcare Program distinguishes you as a vital member of the Gunnison Valley Health community.

Maybe it was a small gesture, extra support when you least expected it, someone going out of their way to assist you, a friendly ride, or something even more unexpected... If you'd like to share your gratitude for a caregiver or a team of caregivers at Gunnison Valley Health, Gifts of Gratitude is a way for you to let them know how much you've appreciated their care. Each caregiver that you honor with a Gift of Gratitude will receive a card informing them of your thoughtful gift.

When you make a gift, you are not only bringing to light your caregiver's kindness, but helping to enhance the outstanding level of care our community has come to expect from Gunnison Valley Health. Your contribution helps purchase state-of-the-art equipment, supports innovative clinical education, and provides support to world-class programs, services, research activities and so much more!

Perhaps you already have someone in mind—a physician, nurse, therapist, housekeeper or a food service worker. **Honor your caregiver with a gift today!**
